Campuswide Honors Program (CHP) Summer Advising
The CHP staff

Mary Gillis, Theresa Nguyen, Professor Ted Wright, Dr. Lisa Roetzel, Rachel Roberts, Christina Treble, and Karissa Sorenson
CHP: 30 years of excellence at UC Irvine

The CHP is dedicated to promoting high standards of scholastic excellence and personal growth by combining the qualities of a liberal arts college with the unique opportunities offered by a major research university.
How to complete the CHP

1. Achieve a GPA of 3.2 or above by graduation
2. Enroll in 12 or more graded units each quarter
3. Earn passing grades in the required honors courses (letter grade of C or better in each course)
4. Complete two or more quarters of research and develop it into an approved honors thesis/project
Freshman Year
Honors Humanities Core

- Interdisciplinary course (literature, history, art history, music, film, etc.)
- Taught by top Humanities faculty
- Specialized Honors seminar sections for CHP students
Freshman Year
Honors science courses

Benefits for CHP students

- **Small class size** means close interaction with faculty and students
- **You will get the grade you earn in Honors Bio and Honors Chem**, which means As or Bs for most CHP students
- **In-depth discussion of topics** means better understanding of foundational methods and theories
